Re: Pennsylvania State Senator Andrew E. Dinniman v. Sunoco Pipeline L.P.; Docket No. C-2018-3001451 & P-2018-3001453; **SUNOCO PIPELINE L.P.'S LETTER AND AFFIDAVIT**

Dear Secretary Chiavetta:

Sunoco Pipeline L.P. (SPLP) previously made two submissions to comply with paragraphs 6 and 7 of the Commission's June 15, 2018 Opinion and Order.

To clarify and supplement the submission made on July 3, 2018, SPLP submits the attached Affidavit of Matthew Gordon, which identifies by reference to aerial maps and charts each construction segment for which SPLP has received approvals from the Pennsylvania Department of Environmental Protection (DEP) for continued construction of the Mariner East 2 and 2X pipelines. This affidavit also further clarifies that the construction segments are distinct so that SPLP may proceed with construction in those areas for which it has received DEP's approval before receiving DEP's approval for the other construction segments.

SPLP respectfully request that this matter be placed on the agenda for the August 2, 2018 public meeting. If you have any questions about this submission, please contact the undersigned.

Very truly yours,

Thomas J. Sniscak

Docket No. C-2018-3001451
P-2018-3001453

AFFIDAVIT OF MATTHEW GORDON

Matthew Gordon states as follows:

1. My name is Matthew Gordon. I am employed by Sunoco Pipeline L.P. (“SPLP”) and currently serve as the Senior Director for the Mariner East 2 and 2X pipeline project.
2. My July 3, 2018 affidavit was previously submitted in response to paragraph 7 of the Opinion and Order issued on June 15, 2018 (the “Order”) by the Pennsylvania Public Utility Commission (“Commission”) to identify the construction segments of the Mariner East 2 and 2X pipelines in West Whiteland Township for which the Pennsylvania Department of Environmental Protection (“DEP”) has issued all required permissions for construction.
3. This affidavit clarifies and supplements my earlier affidavit to identify the separate and independent construction segments that DEP has approved.
4. Attached as Exhibits 1 and 2 are aerial maps that identify each construction segment by the work areas for the Mariner East 2 and 2X pipelines in West Whiteland

Township. DEP has approved construction in all work areas shown in green on the maps. SPLP needs additional approvals from DEP for the areas shown in red on the maps.

5. For the Mariner East 2 pipeline, the work areas, moving from north to south on the aerial map attached as Exhibit 1 are as follows:

Work Area	Construction Segment	Length (miles)	DEP Approvals Obtained	DEP Approvals Needed	Construction Status
1	HDD 360 Shoen Road	0.3		X	HDD Pilot 55%
2	HDD 370 N Pottstown Pike	0.4		X Major Modification (From HDD to Open Cut/Bores)	0%
3	Open Cut	0.1	Yes		0%
4	HDD 381 Swedesford Rd	0.9		X Major Modification (From HDD to Open Cut/Bores)	0%
5	Open Cut	0.3	Yes		70%
6	HDD 400 Exton Bypass	0.4			Construction Completed
7	Open Cut	0.1	Yes		88%
8	HDD 401 Pullman Dr	0/1	Yes		0%
9	Open Cut	0.03	Yes		0%
10	HDD 410 Ship Rd/Concord Ave	0.7	Yes		HDD Pilot 100% HDD Ream 100%
11	Open Cut	0.04	Yes		0%
12	HDD 421 Holleyview Ln	0.2	Yes		HDD Pilot 18%

6. For the Mariner East 2X pipeline, the work areas, moving from north to south on the aerial map attached as Exhibit 2 are as follows:

Work Area	Construction Segment	Length (miles)	DEP Approvals Obtained	DEP Approvals Needed	Construction Status
1	HDD 360 Shoen Road	0.3		X	0%
2	HDD 370 N Pottstown Pike	0.4		X Major Modification (From HDD to Open Cut/Bores)	0%
3	Open Cut	0.1	Yes		0%
4	HDD 381 Swedesford Rd	0.9		X Major Modification (From HDD to Open Cut/Bores)	0%
5	Open Cut	0.3	Yes		60%
6	HDD 400 Exton Bypass	0.4		X	0%
7	Open Cut	0.1	Yes		0%
8	HDD 401 Pullman Dr	0/1	Yes		0%
9	Open Cut	0.03	Yes		0%
10	HDD 410 Ship Rd/Concord Ave	0.7	Yes		0%
11	Open Cut	0.04	Yes		0%
12	HDD 421 Holleyview Ln	0.2	Yes		0%

7. Thus, DEP has approved construction of all separate and independent construction segments of the pipelines shown in green on the above charts and the attached maps, and SPLP is authorized by DEP to perform that construction before receiving DEP's approval for the other construction segments identified on the maps in red and as summarized in this affidavit.

8. I understand that the statements set forth herein are made subject to Pa. C.S. § 4904 relating to unsworn falsification to authorities.

Matthew L. Gordon
